

Bob Hicks how disappointed he is at what happened at this meeting and what will be discussed at the September meeting. Residents do not trust this council. Nothing has ever been discussed at a budget meeting.

Ed Rooks said that this council needs to come to the realization that we cannot afford this. The people are upset. Can we not send out letters, a \$150,000 is a lot of money.

Councilman Haussman said we did provide letters for an invite to come down and see what they had put together.

Bob Hicks said in 2009 there was a price of \$50,000.

President Gregory the last thing I have been is trustworthy and I am not a back door weasel. We will talk to everyone at the September meeting, four years is to long and we will not put out a second letter.

Councilman Kurtz appoint Bill Gregory and Nancy Johnson to the common wage committee.

Discussion went back and forth on the common wage committee with explanation of how it works.

President Gregory asked the Clerk Treasurer to advertise the special meeting on August 25th at 6 pm at the town hall to appoint the people to the common wage council. Please spread the word to come to the September 6th for discussion of the bond issue and firehouse.

Karel Kearn \$800,000 was not part of the plan of the task force.

Councilman Kurtz motioned to adjourn the meeting and was seconded by Councilman Haussman. All were in favor meeting was adjourned.

President Gregory
